My dear Stacey
Honey I'm glad
I met u
n cherish every moment with u
I'm not a stranger of the street game
N the drug world is just the same
There's no friends everything is pure business
U could b dieying n they give two shits about ur sickness
I grew up in different environment at early age I learn to respect love n care for my brother
Never steal n to honor my father n mother
Just because we can't see the air doesn't mean it's not there
To say there's no God is just not fare
Everything we see is the finger prints of his wonderful creation
I needed to write
this to call ur attention
As a friend because I'm nobody to judge
I care about u n never hold a grudge or disrespect u at all
I start caring for people n thats always my fall
As I'm pouring my heart out to u the ur phone rings
I c ur name n Rihanna sings .....
I never thought I could ever fall inlove again
I don't want u to be discourage this is were ur faith begins
Be loyal to him n never give up
Answer ur calling is time to wake up
U are a warrior and from the streets a true soldier
Ur heart is much harder n going colder
u are perfectly train in suffering and pain
God wants to use u to reach people that only u can completly understand
U can be a real friend n give them a hand so they can get out of the gutter
The demons will melt like butter
Because of ur commitment n divine power that only God can provide
Ill never ever have to survive
The Lord will take care of ur every need
as long as u do his work n plant the seed
N don't worry about ur circunstance
He will deliver u from any substance
He will Heal ur whole body n liver
Without u feeling anything or braking a fever when those voices remind u of ur past u can remind them of their future
Keep ur head up n b of good cheer in this world u will have tribulations but I have overcome the world says The Lord
Ull become wiser when u read his word
U r a wonderful mother n I'm proud of u ill always be ur friend because I love u

This are the humble words of a believer
N I hope this other option u consider
God bless u and ur family in Jesus name amen
