No matter what I do  
My heart always loves you  
I can't live without you  
So tell me what i do  
To be your love and be with you

Tell me what I do now  
Tell me the next step  
To be the best in your heart

You are the one i love  
You are the one i want  
You are the one i need.

You are the best  
My love is just for you.
