Caminando por el túnel crees disfrutar la libertad,
no te importa pisar inmundicia y oler putrefacción,
te mezclas entre los fieles de vestiduras profanadas,
porque el tiempo no te alcanza para la vida vana.

Caminando por el túnel hace metástasis el dolor.
Piensas alguna vez en regresar y no continuar la marcha,
pero las voces de amigos enemigos te convencen…
Y avanzas, sin esperanza, sin fe, a la muerte.

Caminando por el sendero sabes que llegarás a la luz,
pisando firme, sin importar la adversidad.
El oro fino tiene que ser probado y tú eres hijo amado.
La meta, promesa de vida eterna para el que persevera.

Caminando por el sendero te encontrarás a ti mismo,
en amor, paz y libertad. Con vestiduras blancas,
galardones por obras, junto al Rey de Gloria.
Complacido con su majestad, en gozo sempiterno.
